The Richmond Freelance and Prototype Model Railroaders, Incorporated ("RF&P") is a 501-c-3 non-profit organization dedicated to promoting and educating its members and the general public on the history, science and technology of model railroading. We are always looking for new members to join us. Special Interest Groups

Participation in one of our special interest groups (SIG) comes with three expectations:

1. You have fun with model railroading. That's why we're all here.
2. You participate in the activities of that SIG. That's kind of the point of joining, right?
3. And you adhere to the SIG policies. Each SIG sets its own dues, in addition to those of the RF&PMRR, may or may not have a clubroom, and has established rules for conduct and leadership. Failing to stay current with your dues and/or misbehaving or violating the rules may result in expulsion from the SIG.
